Mr B W Husband, Managing Director
Husbands Shipyards Ltd
Cracknor Hard Lane
Marchwood
Southampton

8 July 1982

Dear Mr. Husband,

I would like to express my appreciation for the excellent service that your Company rendered to the Royal Navy in the Falklands Crisis through the provision of engineering assistance for the rapid fitting of Communication and other equipment to ships of the Task Force at Southampton. I would be grateful if you would extend my thanks to all in the firm who played a part in meeting our demands.

Yours sincerely

Lindsay Bryson
